

GAVIN HARRISON

Managing Partner,
Strategy & Growth

Entrepreneurship runs deep in Gavin's DNA, having grown up in a household where both parents were self-employed, and entrepreneurship was a way of life. He has a rich history of building great teams, fueling innovation, and challenging the status quo. In fact, Gavin opened his first brick-and-mortar business while still in high school.

Gavin later sold his first business to start a new company in the graphics industry, which grew to have eight offices nationally, a staff of over seventy employees, and provided services to some of the biggest brands in the liquor and hospitality industry. In 2010, he was named a 'Leader of Tomorrow' by Business in Calgary Magazine.

Today, Gavin brings his passion for growing businesses to Level 52, heading up the strategic growth of the organization. He also has the pleasure of serving on the board of a Calgary-based not-for-profit in the affordable housing sector.
