

## NICK EGAN, PhD

Nick is an award-winning leader who has real-world experience leading multimillion-dollar organizations.

Known for his clear and powerful coaching style, he is also a sought-after speaker who utilizes his understanding of positive psychology and Asian philosophy to transform organizations and inspire personal growth.

Nick has also taught meditation techniques for more than a decade and has led cultural and adventure tours throughout the Himalayas.

He holds a BA in psychology, an MA in comparative religion, and a PhD in Asian philosophy.

Nick is the author of the book, *Shift: The Art of Transforming Limitations*, and is currently pursuing a graduate certificate in organizational behavior from Harvard University.
